### Empathy Map

Create an empathy map to understand your customer/user from four perspectives - what they Say, Think, Do, and Feel - in relation to the problem your project addresses. This helps the team build a customer-centric solution.

|                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                    |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p style="text-align: center;"><b>SAYS</b></p> <ul style="list-style-type: none"> <li>• I want my credit card application to be approved quickly.</li> <li>• I don't understand why applications get rejected.</li> <li>• I hope the bank considers my financial profile fairly.</li> </ul> | <p style="text-align: center;"><b>THINKS</b></p> <ul style="list-style-type: none"> <li>• Am I eligible for this credit card?</li> <li>• Will my income and credit score be enough?</li> <li>• I want a quick and transparent decision.</li> </ul> |
| <p><b>PERSON<br/>NAME</b><br/><i>Customer</i></p>                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                    |
| <p style="text-align: center;"><b>DOES</b></p> <ul style="list-style-type: none"> <li>• Fills out the online credit card application.</li> <li>• Provides personal and financial information.</li> <li>• Waits for the approval or rejection result.</li> </ul>                             | <p style="text-align: center;"><b>FEELS</b></p> <ul style="list-style-type: none"> <li>• Worried about rejection.</li> <li>• Confused by complex eligibility criteria.</li> <li>• Happy and confident if the application is approved.</li> </ul>   |
